## Elkridge Pump Station Upgrade to Begin

ELLICOTT CITY, MD – A Howard County construction project to upgrade the water pump station at 6430 Elibank Drive in Elkridge is scheduled to begin on or about Monday, August 17. Electrical, mechanical and structural improvements will be made to the existing pump station, and an emergency generator will be installed. Weather permitting, the project is expected to be completed by mid-August 2016.

While signs will be in place to advise residents of the construction, the project is not expected to impact the flow of traffic.

For questions or concerns about Capital Project W-8317, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email [publicworks@howardcountymd.gov](mailto:publicworks@howardcountymd.gov).
